8	On June 19, 2007 the Board of Supervisors directed staff to develop a plan to raise parking fees to cover the cost of construction of the new parking structure. The Auditor Controller, Administrative Office and Airport Staff, have made recommendations to raise parking fees at various project milestones. The fee recommendations contained on the Fee Schedule will provide authorization to adjust fees at various project milestones and at competitive market rates.
9	The concession agreement at the Oceano Airport was terminated on 8/31/2007. San Luis Obispo County Airports will assume a variety of responsibilities formerly assigned to the concessionaire, including the collection and retention of the camping fee. Commencing September 1, 2007 these fees will be collected by the Airport. A fee increase is not recommended; however it is a new fee on the airports fee schedule. This is a change in the entity collecting/managing the camping fee. There is no impact to the user.
